**Northern Ohio Electrical Contractors Association / IEC  
(NOECA / IEC)**

***CODE OF ETHICS***

1. We fully appreciate the honor and responsibilities that go with membership in this Association.
2. We pledge ourselves to always conduct our business affairs in such an ethical manner as will uphold and elevate the prestige of the Association and promote the open shop philosophy.
3. We solemnly pledge ourselves to zealously guard the best interests of our industry and the public.
4. We shall recommend adequate wiring and quality material on every installation and strive to reduce costs and improve productivity.
5. We shall train ourselves and our employees to do all work in accordance with the Local and National Electrical Codes and Good Engineering Standards. We keep ourselves and our employees informed regarding the latest progressive engineering ideas and developments in materials, use technology to its maximum potential where appropriate, and endeavor to maintain a well-educated workforce.
6. Putting safety first, we shall maintain good working conditions in our shops and on our jobs and pay our employees a fair price for their labor.
7. We shall word all our contracts in a clear and definite manner.
8. We shall live up to all agreements made with customers, suppliers and employees, and treat our customers, competitors, employees and fellow members fairly at all times.
9. We will conduct ourselves in an honorable manner. **It will be considered dishonorable to directly target the hiring of another member's employees or cause untimely payment of liabilities from one member to another.**
10. We shall strive to uphold the highest ethical behavior, integrity and professionalism.
11. We shall not knowingly indulge in any unfair trade practice.
12. We pledge ourselves to positively support this Association by attending meetings and taking part in the affairs of the Association.
